

NEWS AND VIEWS FROM AAN 2025

You could not make it to this year's AAN?

Good news! We have organised an overview of the highlights of this event for you: **Tuesday, the 27th of May between 17h00 and 19h00** and would be very pleased to welcome you to this virtual event.

"News and Views from AAN 2025", the eight event in the neuroscience innovation series, will be held virtually via Zoom.

This 2 hour-webinar will provide a perspective on key learnings and news presented at the "AAN 2025 annual meeting". **2 credits by the Swiss Neurological Society have been approved.**

We are looking forward to seeing you online.

Best regards,
Your team from Fluentis, and the sponsors from
AbbVie, Merck, Novartis and Roche
